In order to provide you with a responsive service, we need to remember and store information about how you use this Website. This is done using small text files called cookies. Cookies contain small amounts of information and are downloaded to your computer or other device by a server for this Website. Your web browser then sends these cookies back to this Website on each subsequent visit so that it can recognise you and remember things like your user preferences. You can find more detailed information about cookies and how they work at <https://www.allaboutcookies.org/>.

Whenever you use this Website, information may be collected through the use of cookies and other technologies. By using this Website you agree to our use of cookies as described in this Cookie Policy and also to the use of cookies on the other country, regional or practice specific websites contained in [rcsglobal.com](http://rcsglobal.com) that you may visit, as described in their accompanying cookie policies.

### 1. WHAT COOKIES DO WE USE AND WHY?
